# 2022 RECAP

In 2022, we donated more than 1 million dollars to help those in need. That brings our total donations to well over 5 million dollars since our foundation was established, and we couldn't have done it without your hard work and dedication.

We provided clothing and coats to more than 2,500 children this past year through the KIND Fund, Coates for Kids, and Julies Clothes for

Kids. We served 1,120 kids in need through the KIND Fund alone, and many of you volunteered to shop, so thank you!

We provided food for a weekend for more than 10,000 hungry kids through our Pantry Pack Program, we provided Thanksgiving dinner to more than 100 families in Ogden City and we donated 1,000's of pounds of food to school and community pantries across UT.

We assembled hundreds of hygiene kits for teen drop in centers, we provided free oil changes to more than 200 health care workers, and we provided critical funding for Davis county Teen Drop in Centers and the Encircle House in Ogden.

We provided cars for a Teacher of the Year, and an Ogden City 1st Responder of the Year, as well as much needed vehicles for PARC and the Red Barn Academy.

We also provided backpacks and school supplies to thousands of children in need in UT and ID, as well as more than 1,300 children living in the poorest colonies of Mexico, and we provided iPads and projectors for their classrooms.

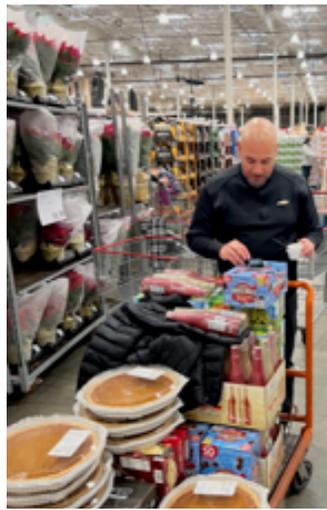

Looking back on 2022, we were able to help 1,000's of families in need including our own employees through Family Hardship Grants. It was an amazing year thanks to all of you!

## Young Mazda's CAST A SPELL ON HUNGER EVENT

What an amazing turn out for our Young Mazda Cast a Spell on Hunger event! We love bringing the community together and seeing the support of everyone giving back and donating so much food! In addition to collecting food for Catholic Services, Young Mazda also donates \$10,000 which goes to the Treehouse Museum, Ogden School District Foundation and the Davis Education Foundation. Thank you to all the staff and volunteers for donating their time to give back to the community and make the event awesome year after year! Also, a big thank you to the Treehouse Museum for their continued support and all our other partners that help us do this for the Ogden community.

In 2022 the Young Chevrolet employees went above and beyond by taking it upon themselves to provide Christmas for over 100 people during their Sub For Santa event. The Young Chev employees all donated their own time and money to provide not only some gifts for Christmas for kids, but gifts for entire families as well as a full Christmas dinner. The assistance these employees were able to provide was invaluable and made such a huge impact and we want to say:

THANK YOU!

### ***Advocate Spotlight***

**Robert Genaro**

Kaysville Truck and Trailers

Robert worked tirelessly to partner with Kaysville Gives and coordinated donations and deliveries to hundreds of people in need.

We would like to recognize **Ron Hales and the Center Point Construction Team** for their contributions to YCFOY. Ron is a huge supporter of the KIND Fund, and actually got his subcontractors to donate an additional \$17,500 to the fund. We are grateful for their support!
