

Our Mission

Serving our YOUNG and those in need by bringing together the community to take action and build a brighter future.

Young Caring for Our Young was established in 2007 by Spencer and Sherry Young. Since that time, we have donated over 2.5 million dollars to local education foundations and other non-profit causes that directly impact youth in northern Utah and southern Idaho. Thank you for joining us! Here are three simple ways that you can get involved today:
