Caring for our young

Our Mission

Serving our YOUNG and those in need by bringing together the community to take action and build a brighter future.

Young Caring for Our Young was established in 2007 by Spencer and Sherry Young. Since that time, we have donated over 2.5 million dollars to local education foundations and other non-profit causes that directly impact youth in northern Utah and southern Idaho. Mazda Homeless Teen Backpack Wrap Up

We delivered 300 backpacks filled with supplies to Davis County kids via the Teen Drop-in Center at Clearfield High School. We were also able to donate 100 to the Ogden City At Risk Youth Program.

We had such a huge amount of support from the community for our backpack event that we were able to donate a ton of extra supplies to the YCC.

Young Subaru was so excited to help the Treehouse with their new Ascent and trailer. The wrap turned out great, and now they will be able to take the Treehouse to schools throughout our community. They have already given away 300 books!

We love the Treehouse!!
